

Questions to Ask Ecommerce Photographers

Cost and Services Questions:

- What are your fees? Do you charge by the day, by the shot or by the hour?
- What is included in the price? Do you provide props, styling and editing?
- What is not included in the price? Are assistants, expenses, models, overtime or image cataloging extra?

Technical Questions:

- What cameras and lenses do you use?
- What hardware and software tools do you use for post-production processing and editing?
- What is the format of the final images?
- Do you do 3D photography?

Style Questions:

- Where can I see your portfolio?
- Can you tell me about your style and influences?

Expectation Questions:

- What is the turnaround time?
 - How is your post-production process?
 - Who owns the final images?
 - What will you need from us?
 - What does your insurance cover?
 - Can you tell me about your training, experience, and credentials?
 - Can I speak to some of your clients, both past and current?
 - Do you save backups?
-
